

**SILK ROAD
INSURANCE
FORUM**

A Remed Global Event

13/02/2026

Dear Mr. Viktor Veryovkin,

It is our great honor to invite you to the Silk Road Insurance Forum, organized in cooperation with the Insurance Association of Türkiye, to be held on 25 March 2026 in Istanbul, at the Mandarin Oriental Bosphorus. Rooted in the historic legacy of the Silk Road an enduring bridge between Kazakhstan, Central Asia, and Türkiye for trade, knowledge, and financial interaction the Forum is designed as a high-level platform to address the future of the insurance industry through strategic cooperation, innovation, and shared experience.

The Forum will bring together senior regulators, association leaders, and industry decisionmakers to address shared challenges and opportunities, with particular emphasis on:

- Strengthen institutional and commercial cooperation among insurance markets along the Silk Road corridor,
- Encourage cross-border collaboration in InsurTech and digital transformation,
- Explore sustainable growth strategies and risk-sharing mechanisms, and
- Contribute to the development of a shared vision for resilience, innovation, and long term stability.

Given your distinguished leadership and expertise, it would be a great honor to welcome you among our esteemed participants. We firmly believe that your contributions would add strategic depth to the discussions and further reinforce cooperation between Kazakhstan, Central Asia, and Türkiye within the insurance and financial sectors.

We would be delighted to host you in Istanbul and kindly request that you inform us of your availability at your earliest convenience. Detailed information regarding the Forum agenda, speakers, and organizational arrangements will be shared in due course.

Yours sincerely,
Dr. Selçuk Tiftik
Chairman of the Board Remed Global
